THE FACULTY OF JUDICIAL AND ADMINISTRATIVE STUDIES

RECOMMENDATION

Mr. Lixandru Emil Mihai has been a student of our faculty, specialization Law, during 2002/2006, and afterwards he attended the courses of the University Master studies of Business Law (2007/2009) and International and Community Law (2008/2010).

Even from the beginning he had proven to be one of the students who integrated and adjusted rapidly to the university life.

Moreover, Mr. Lixandru Emil Mihai had always known how to solve the tasks that had been assigned to him and he did this through sustained work.

The seriousness and conscientiousness when approaching judicial problems have imposed him as a positive example among his colleagues, proving at the same time, tact and moral balance.

The behaviour of Mr. Lixandru Emil Mihai, his personality, appearance and respect towards his colleagues and the educational staff are features that distinguish him among the students and not only. Moreover, he distinguishes himself through a remarkable moral standing, doubled by dignity and courage.

Based on the above-mentioned details, we recommend Mr. Lixandru Emil Mihai, with the certainty that he will make himself remarked as an entirely special person, with a great interest for work and for his own professional improvement.
